HYBRID CORN

In order to learn more about hybrid corn in this county two more complete Hybrid demonstrations are being carried out in this county. The seeds for these tests were furnished by Kentucky agricultural experiment station. This year these demonstrations are being conducted on the farm of P. H. Ferguson and Lucian Nickell.

The following Hybrids have been used: U. S. 13, 201, 102, 72, 69, 78B, and 103.

An examination of these Hybrids show that they are more resistant to winds than our open pollinated corn. As to yield Mr. Ferguson told me last week that he was sorry that he did not plant all his crop with Hybrid corn. These plots will be weighed when harvested.

WELLS QUESTIONS BLAIR

West Liberty, Ky., Sept. 15, 1941
Mr. Ollie Blair,
Republican Nominee County Judge,
West Liberty, Ky.

Dear Mr. Blair: You were elected as chairman of the Republican county committee in 1940. Under the rules of the party you are supposed to call the committee together and recommend five names for election commissioners one of which is selected, you sent in your son Stanley.

Under rule five you were supposed to have resigned as Republican chairman when you became a candidate; you ignored the rules of the party, and served as Republican county chairman under which rule you had a voice in appointing challengers in the Aug. 2, 1941, primary, and your son one of the election commissioners.

In the selection of the men for the election officers, I am supposed to be presented an affidavit by the committee, you did not call them together, for the passing on such lists, or you did not ask them to select the five names to be sent in for election commissioner in 1941, apparently, you are still holding on to the Republican county chairman's place, in violation of rule five of the Republican party organization, which will give you the right to name the challengers for the party in November.

Mr. Blair, in the event you are elected, will you ignore the members of the fiscal court like you have the members of the Republican committee?

I am
Very truly yours,
LYNN B. WELLS, Attorney,
Democratic Candidate for
County Judge. (Adv.)

An Idea or Two

What a world this would be if everybody had his own way!

Sometimes the most important thing to remember is to forget.

Businesses do not expand by magic, but they usually grow when somebody with brains is working.

The value of advertising depends upon the people who read it; they can't read it if they don't see it.

The eagerness of some news writers to be first with most news sometimes results in the publication of fiction.

The Limburger minority, hopeless of amounting to anything in a free country, would ruin in order to rule.

Some of the best advice we have heard lately comes from Mariner Eccles, who urges people to get out of debt.

You can't get business by persuading yourself that you have something good to sell; you have to convince the buyers. Advertise.

When German torpedoes sink or try to sink American ships upon the high seas, the United States is trying to get into war, according to some "patriots."

Farmers are being urged to increase their production of food upon the theory that when the shooting is over the people of the world will have to eat.

One of our kind friends is peeved over what he calls a "dun" because we sent him a courteous notice that his subscription had expired; another has a grouse because we removed his name from our list without notice. Ho, hum. Pass the aspirin.

Readers' Opinions

A prize of six months' subscription is being given for the best letter each week, limited to 200 words or less. Prize letter this week is the first one printed below.

SOUNDS GOOD TO US

Bonny Ky., Sept. 10, 1941

Editor Courier:

I like to be in style.

So I'll spend a little while

Putting my opinions into rhyme.

I hope I'm not too late,

And that the prize is still on slate.

I've wanted to do this some time.

Your paper is O. K.,

It's grand for folk away

As well as those who stay at home.

From this creek or that.

You hear all of the chat.

If you read the Courier alone.

Editor, my hat's off to you

For "An Idea or Two."

It's the brainiest column I've ever read.

The Courier, it sings

Of advancement of better things;

It's helping Morgan county get ahead.

EVA COMBS MAY

WE SHOULD SMILE

Seth, W. Va., Sept. 9, 1941

Editor Courier:

Do not look for wrong or evil,

You will find them if you do.

As you measure to your neighbor

He will measure back to you.

Look for goodness, look for gladness.

You will find them all the while.

Bring to the world a usage,

And they'll meet you with a smile.

If we smile the world smiles with us.

If we weep we weep alone.

So have a smile for every neighbor.

Help them sing a glad new song.

MRS. ELBERT CLEMENS

THE NARROW WAY

Logville, Ky., Sept. 9, 1941

Editor Courier:

There is a path that leads to God.

All others go astray;

Narrow but pleasant is the road,

And Christians love the way.

It leads straight thru this world of sin

And dangers will be passed.

But those who boldly walk therein

Will come to heaven at last.

While the broad road, where thou-

sands go,

Lies near and opens fair,

And many turn aside, I know,

To walk with sinners there.

But, lest my feeble steps should slide,

Or wander from the way,

Lord, condescend to be my Guide,

And I shall never stray.

Message from Fair Board to Citizens of Morgan County

We shall be very proud to submit to you the fair catalogue in the near future. We admit that the premiums are small, but a tremendous amount of time and sacrifice have been necessary to make this fair possible. We trust that you will study these entries and make an effort to participate in every possible entry.

The success of this fair depends on you. We feel proud of this splendid response given to this fair by the merchants and business and professional men. We feel that as long as they believe in the future of farming "with a faith born not of words but of deeds," Morgan county will go forward and thru progress play an important part in this national emergency.

We acknowledge this fair could not be possible without your generous aid and participation and the financial aid made possible through our advertisers. Read our advertisements and patronize the people who have helped to make this fair possible.

We hope that every one of you will plan to enjoy a holiday at the Morgan county school and agricultural fair to be held at West Liberty, Ky., Oct. 2 and 3, 1941. Respectfully,
